Special Features:

Brass body and seat, nonmetallic disk, 1000 psi maximum pressure at 77 degrees f, 250 psi maximum pressure differential, 230v dc elec rqmt, four identical thd female connections 3/8-18 npt, two 0.375 apertures

Reference Number Differentiating Characteristics:

As differentiated by elec rqmt

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A506h0
