Material:

Steel comp 440c

Material Specification:

Qq-s-763, class 440c, cond a federal specification single material response

Fsc Application Data:

Valve butterfly 4810008977308, t56-a-9 turbo prop eng c130a

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A539y0
