**End Application:**

6115-937-0929

**General Description:**

Componentquantity type 131, component document origin industrial, document source 99193, document type parts list, document identification tm5-6115-434-35p c-3, component document page number 431

**Fsc Application Data:**

Valve, shutoff

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No
