End Application:

6115-937-0929

General Description:

Componentquantity type 131, component document origin industrial, document source 99193, document type parts list, document identification tm5-6115-434-35p c-3, component document page number 431

Fsc Application Data:

Valve, shutoff

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
