

View Online at <https://aerobasegroup.com/nsn/4810-01-054-6379>

Special Features:

Heat treat rc 58.0 to rc62.0, shank lgth 0.290 to 0.300 in.

Material:

Steel comp 440a or steel comp 440b or steel comp 440c or steel comp 440f or steel comp 440fse

Material Specification:

Qq-s-763, class 440 federal specification all material responses

Supplementary Features:

Passivate per qq-p-35

Fsc Application Data:

Nha av1161, f-16acft

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A539y0
