**Special Features:**

Heat treat rc 58.0 to rc62.0, shank lgth 0.290 to 0.300 in.

**Material:**

Steel comp 440a or steel comp 440b or steel comp 440c or steel comp 440f or steel comp 440fse

**Material Specification:**

Qq-s-763, class 440 federal specification all material responses

**Supplementary Features:**

Passivate per qq-p-35

**Fsc Application Data:**

Nha av1161, f-16acft

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A539y0
