Special Features:

1.860 in. Lg

Material:

Aluminum alloy 2024 or aluminum alloy 6061

Material Specification:

Qq-a-225/6, alloy 2024-t351 federal specification 1st material response or qq-a-225/8, alloy 6061-t6 federal specification 2nd material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A539y0
