End Application:

Aircraft type f16a/b

General Description:

Steel, ams 5646 per hs178 fscm 73030, 0.7405 in. Min and 0.7415 in. Maximum at base graduating to 0.307 in. At opposite end, hardness rating 75.5 r15n max, heat treatment hs461 per fscm 73030

Fsc Application Data:

Valve, regulating nsn 4810010523770

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
