**Overall Length:**

2.130 inches

**Features Provided:**

Stepped

**Valve Design Control Activity:**

98391

**Material:**

Aluminum

**Material Specification:**

Qq-a-225/9 7075-t73 federal specification single material response

**Surface Treatment:**

Anodize

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A512t0
