Overall Length:

2.130 inches

Features Provided:

Stepped

Valve Design Control Activity:

98391

Material:

Aluminum

Material Specification:

Qq-a-225/9 7075-t73 federal specification single material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A512t0
