End Application:

2350-00-808-7100; trctr ft high spd m9, lin w76473

Product Name:

Valve, control

Special Features:

Clean and treat class 1a, spec mil-c-5541, prime with epoxy type 1, dry film thkns .6 to .9mils specification mil-p-23377, coating, epoxy-polyamide, type i, color no 17875 white, dry film thnks .8 to 1.2mils specification mil-c-22750

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A508u0
