Solenoid Valve - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4810-01-203-5166

Thread Direction:
Right-hand all ends
Flow Control Device:
Disk
Flow Control Device Normal Operation Position:
Closed
Connection Style:
G9 plain, optional en (pipe) all ends
Valve Operation Method:
Solenoid
Connection Type:
Threaded internal pipe all ends
Mounting Position:
Vertical
Thread Size:
0.750 inches all ends
Material:
Steel body
Thread Series Designator:
Npt all ends
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A046b0
