**Criticality Code Justification:**

Zzzy

**General Description:**

Steel alloy astm-a-304; sealing, locking mil-s-22473, am4

**Reference Number Differentiating Characteristics:**

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli
