Directional Control Linear Valve - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4810-01-237-8361

Special Features:

Four way flow direction; solenoid hydraulic operation; 0.750 in.Size; operating pressure 5000 psi; 120vac, 60 cycles

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No

Fiig:

A506h0
