Criticality Code Justification:

Zzzy

Special Features:

1.438 in long; 1.120 in min, 1.125 in maximum dia.

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A513b0
