Flow Control Device Normal Operation Position:

Closed

End Application:

Tarawa class lha

Current Rating In Amps:

0.100

Valve Operation Method:

Solenoid

Criticality Code Justification:

Feat

Voltage In Volts And Current Type:

120.0 ac

Phase:

Single

Special Features:

Weapon system essential

Frequency In Hertz:

60.0

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A046b0
