Flow Control Device:

Ball

Flow Control Device Normal Operation Position:

Closed

End Application:

4810-01-245-9872 valve, regulating fluid pressure

Valve Operation Method:

Solenoid

Mounting Position:

Vertical

Material:

Steel body

Style Designator:

Err-090

Fsc Application Data:

Ah-64 helicopter

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A046b0
