Butterfly Valve - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4810-01-321-6402 **Bolt Hole Quantity:** 8 all ends **Valve Operation Method:** Air Flange Shape: Round with holes all ends **Connection Type:** Flange all ends Valve Size:

29.750 inches all ends

Outside Diameter:

Face To Face Distance:

26.000 inches

7.000 inches Thickness:

3.500 inches all ends

Bolt Circle Diameter:

31.750 inches all ends

Material:

Steel flow control device

Style Designator:

Err-090

Shelf Life:

Unit Of Measure:

N/a

Demilitarization:

No

Fiig:

A046b0
