Flange Diameter:

1.240 inches

Flange Width:

0.094 inches

Flange Shape:

Round

Center Hole Diameter:

0.156 inches

Special Features:

0.065 in. W slot and 0.094 in. W slot

Material:

Copper alloy

Material Specification:

Qq-c-530 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A501s0
