End Application:

4810-01-262-6978

Valve Type For Which Designed:

Directional control linear

Material:

Aluminum alloy

Material Specification:

Qq-a-200/11 alloy 7075-t73 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A513b0
