### End Application:

4810-01-262-6978

#### Valve Type For Which Designed:

Directional control linear

## Material:

Aluminum alloy

### Material Specification:

Qq-a-200/11 alloy 7075-t73 federal specification single material response

#### Shelf Life:

N/a

# Unit Of Measure:

---

## Demilitarization:

No

Fiig:
