Inside Diameter:

Between 0.187 inches and 0.188 inches

Outside Diameter:

0.780 inches

Special Features:

O/I 1.698 in. Min.- 1.702 in. Max.; all info proprietary

Material:

Steel comp 440c

Material Specification:

Qq-s-763, class 440c, cond a federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A539y0
