Inside Diameter:

Between 0.620 inches and 0.630 inches

Outside Diameter:

Between 0.814 inches and 0.815 inches

Special Features:

O/a lg 0.720

Material:

Steel comp 440c

Material Specification:

Qq-s-763, class 440c, cond a federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A539y0
