Flange Width:

10.630 inches

Flange Shape:

Rectangular

Flange Length:

11.120 inches

Special Features:

Upper flange

Material:

Aluminum alloy

Material Specification:

Qq-a-250/11 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A501s0
