**Overall Length:**

0.495 inches

**End Application:**

Nav-8a/b/cdcn

**Largest Outside Diameter:**

0.079 inches

**Stem Actuating End Type:**

Rounded

**Special Features:**

Material incoloel 718 bar, annealed, descaled; 2 places triangular facility

**Material:**

Nickel alloy

**Material Specification:**

Ams 5662, 718 bar assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A503z0
