End Application:

Mars class afs

Valve Type For Which Designed:

Solenoid

Valve Size For Which Designed:

1.250 inches

Stem Actuating End Type:

Threaded externally

Valve Model Number For Which Designed:

18ar45

Material:

Steel comp 304

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A503z0
