Body Length:
Between 19.136 inches and 19.236 inches
End Application:
Used on v-22 aircraft
Stroke Length:
Between 8.436 inches and 8.556 inches
Product Name:
Servoactuator assembly, flaperon, v-22
Reference Number Differentiating Characteristics:
As differeniated by drawings
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:

A30500
