Current Type:

Ac

Body Length:

7.800 inches

Body Width:

6.750 inches

Body Height:

9.250 inches

Environmental Protection:

Any acceptable

Current Rating In Amps:

5.0

Manual Override:

Included

Mounting Facility:

Threaded mounting holes

Voltage In Volts:

120.0

Phase:

Single and two

Special Features:

E/i valve actuator

Frequency In Hertz:

60.0

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A30500
