End Application:

F18 e/f

Valve Type For Which Designed:

Temperature regulating

Product Name:

Housing actuator

Valve Design Control Activity:

73030

Special Features:

Next assembly 814233; cabin add heat valve; environmental control system

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A518e0
