Special Features:

Description: metal seat; seat valve

Material:

Stainless steel body

Material Specification:

Astm a 270w/gullite process assn standard single material response

Fsc Application Data:

20"/figure 360/trim 399 valve p/n d360-20-399

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A15500
