End Application:

E/i nsn 1055-01-450-4243, armored vehicle mounted launcher rocket; w/s multiple launch rocket system (mlrs)

Valve Operation Method:

Electric motor and hydraulic

Body Material:

Stainless steel and aluminum alloy

Product Name:

Valve, servo

Port Quantity:

4

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A508u0
