End Application:

Cons ground support equip

Valve Operation Method:

Hydraulic

Product Name:

Valve, shutoff

Special Features:

Wafer style

Material:

Steel comp 316 stem

Supplementary Features:

Same as nsn 4820-01-465-5216 except stem is altered to permit activation by hydraulic cylinder

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A046b0
