Overall Length:

23.930 inches

End Application:

Seawolf class ssn 23

Special Features:

Nha mbt no.6 hydraulic operator assembly

Material:

Copper alloy

Material Specification:

Astm-150 aly-c63200 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A512t0
