End Application:

E/i: 5 inch ball valve

Port Quantity:

1

Port Diameter:

5.000 inches

Stem Accommodation Quantity:

1

Port Configuration:

Straight

Material:

Copper alloy 922

Material Specification:

Astm b-505 alloy 922 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A500t0
