Current Type:

Ac

End Application:

Lpd-17

Drive Type:

Gear

Limit Switch Control:

Included

Manual Override:

Included

Special Features:

Shock and vibration tested, model ms6l actuator

Specification Data:

81349 - dod-v-24657 government specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A30500
