Valve Operation Method:

Electric motor or manual

Connection Type:

Unthreaded cartridge all ends

Butterfly Valve Size:

10.000 inches

Product Name:

Model msq actuator and keystone valve

Style Designator:

Err-090

Furnished Items And Quantity:

1 handwheel

Specification Data:

81349 - mil-v-24624. Fig. 360 government specification and dod-v-24657 type ii, class 1. Serv. 1 government specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A046b0
