Fluid Pressure Regulating Valve - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4810-01-528-3089

End Connection Quantity:				
2				
Product Name:				
Pressure reducer				
Special Features:				
Valve with digital pressure gage; 0-	-6300 psi range;	gage supplied with 2	29 volt battery type 6	lr61
Shelf Life:				
N/a				
Unit Of Measure:				
				
Demilitarization:				
No				
Fiig:
