Valve Operation Method:

Manual and solenoid

Valve Quantity:

21

Body Material:

Steel comp 304

Voltage In Volts And Current Type:

24.0 dc

Product Name:

Ballast/deballast manifold assembly

Special Features:

Manifold has 10 manual valves and 5 solnoid valves.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A50410
