End Application:

A/a42 r-1 refueling system

Valve Quantity:

2

Body Material:

Steel

Special Features:

High gain boost valve assembly includes: boost valve piston e10-21934-1; boost valve body e10-21933-1; o-ring ms28775-111; packing retainer m8791/1-111; protective plug nas815-4a

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A504k0
