End Application:

Cvn69

Valve Operation Method:

Electric motor

Features Provided:

Manual override

Butterfly Valve Size:

3.500 inches

Special Features:

Butterfly valve, model 360, qtr turn actuator w/gear operator, position indicator and limit switch, quadrant 1/style a/type iii

Style Designator:

Err-090

Specification Data:

81349 - mil-v-24624 amend 1 st a ty iii government specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A046b0
