End Application:

4810-01-539-8588; new construction lcs1

Product Name:

84 50 inch actuator assembly for 2" type 5800n globe valve

Special Features:

Gthis assembly comprised of 8351 controller subassembly, 84 50 inch actuator subassembly, 2 adjustable pressure regulator valves (0-60 psi), positioner, 4.20 ma feedback module and connecting hardware

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A30500
