End Application:

New construction ddg102, 104, 106, 108, 109, 111, 112

Product Name:

Hydraulic motor, multi-turn actuator direct drive handwheel

Special Features:

Housing is cast silicon bronze; hardware is corrosion resistant; handwheel is solid disc safety type, push to engage, spring dis-engage; output torque @ 350psi = 450 inch lbs or 750psi = 1200 inch lbs.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A34200
