End Application:					
NSN:-54-100-1441					
Product Name:					
Solenoid valve					
Special Features:					
Option: manual override; porting:	cartridge only:	seals:	buna n (std); voltag	ge standard coil:	24 vdc
Material:					
Steel					
Shelf Life:					
N/a					
Unit Of Measure:					
Demilitarization:					
No					
Fiig:
