Body Material:

Aluminum alloy

Flow Control Device:

Ball

End Application:

New construction lhd 8; engine, diesel 12pa6 b

Product Name:

Valve, test

Special Features:

Mbv 5000 block valve type; 4 ball valves; 4 inputs and outputs; m16x2 test pressure gauge connection; g 1/4 pressure connection; separate inputs and separate test functions; anodized aimgsi1 housing material

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A21100
