**Body Material:**

Aluminum alloy

**Flow Control Device:**

Ball

**End Application:**

New construction lhd 8; engine, diesel 12pa6 b

**Product Name:**

Valve, test

**Special Features:**

Mbv 5000 block valve type; 4 ball valves; 4 inputs and outputs; m16x2 test pressure gauge connection; g 1/4 pressure connection; separate inputs and separate test functions; anodized aimgsi1 housing material

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A21100
