Body Material:

Bronze

Flow Control Device:

Diaphragm

End Connection Quantity:

2

End Application:

Seawater service

Valve Size:

1.250 inches

Product Name:

Regulating valve

Special Features:

End connection u/e mil-f-1183; adjustable range 50-125 psig; series 250 type ii; specs-mil-v-2042d, mil-v-2042e and astm-f1370

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A21100
