Body Width:

13.125 inches

Body Height:

10.000 inches

Environmental Protection:

Watertight

End Application:

Lhd8

Drive Type:

Gear

Manual Override:

Included

Product Name:

Rising stem elec valve actuator used with 3 inch gate valve

Special Features:

10 to 1 ratio

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A30500
