End Application:

4810-01-558-3868; lsd-43

Special Features:

Used on 4 in stop-check valve

Material:

Nickel alloy

Material Specification:

Astm a494 gr -30h assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A15500
