Overall Width:

14.250 inches

End Application:

Operator vl mtrdn

Integral Valve Operation Method:

Electric or mechanical

Product Name:

(inavy)actuator valve

Special Features:

depth is 11.250 in., length is 18.312 in.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A34200
