Bolt Hole Quantity:

8

Current Rating In Amps:

10.0

Valve Size:

6.000 inches

Voltage In Volts And Current Type:

240.0 ac

Special Features:

Consists of one class ii, 6 inch actuator side winder; one 6-inch, class ii navy gate valve, 4 bolts, 4 nuts and one mounting adapter 6940-6 inch navy gate

Material:

Copper alloy body and silicon body

Furnished Items And Quantity:

1 handwheel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A500a0
